

RIGHT IN THE MIDDLE AND STILL ABOVE EVERYTHING

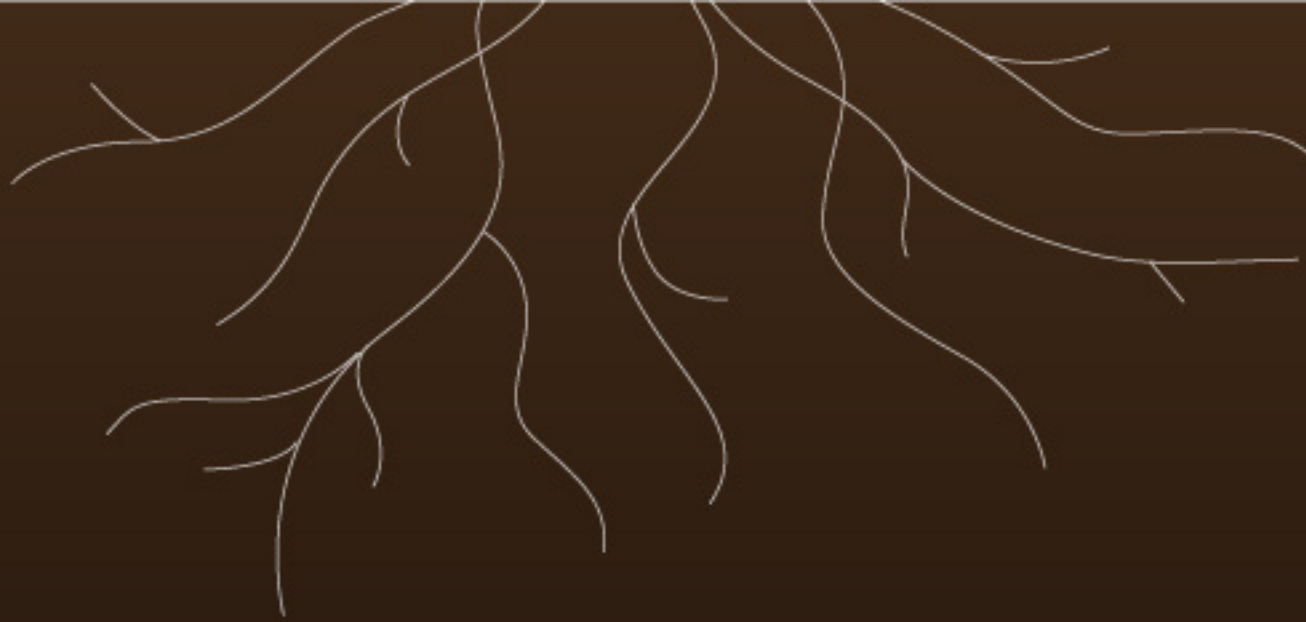

Welcome to the Treehouse –
an event location deeply rooted in Berlin.

A PLACE THAT CONNECTS...

This is where people come together: locals, travelers, creatives – A place where special moments are celebrated and unforgettable experiences are created.

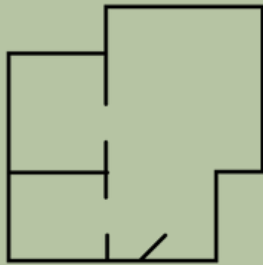

A TREE A SYMBOL ...

Larger than any ego, wiser than any master, more enduring than any trend. It stands at the heart of our Treehouse – a symbol of community, inspiration, and permanence.

Around it, we have created an event venue that provides the perfect setting for parties, weddings, exclusive dinners, photoshoots, film productions, corporate events and brand activations.

PARTYING IS HUMAN NATURE

So is being enthusiastic.

OUR LOCATION IN DETAIL

THE TREEHOUSE

On 700 square metres, we stand 100% for what we love and live: We have created a place where you can simultaneously retreat in comfort or dance until the wee hours of the morning. A place that is magical and at the same time so authentic that you immediately feel at home. The Treehouse is one of the few locations in Berlin that makes everyone's heart beat faster to the same beat.

After all, who needs the classic four walls when there's nowhere nicer to put down your roots?

THE TREEHOUSE WINTER GARDEN

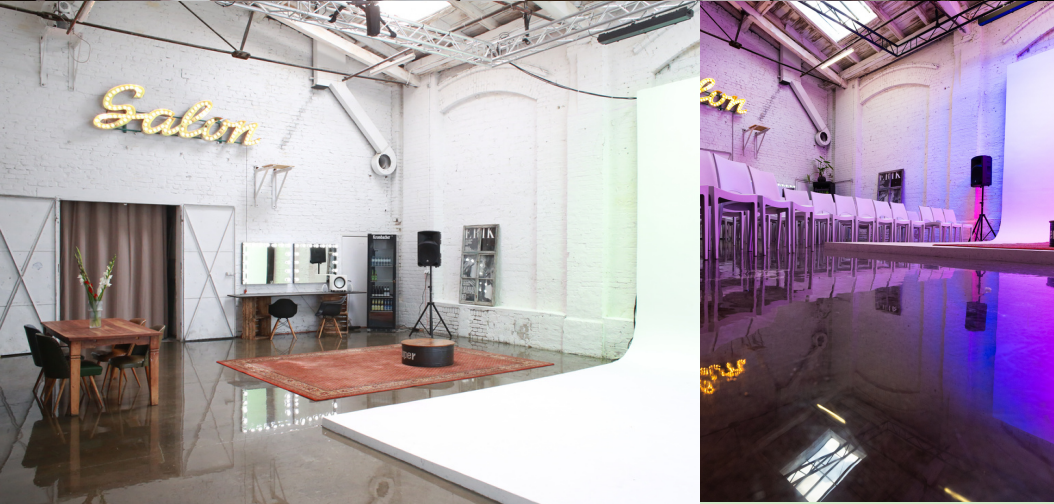

Fact is: The Garden of Eden is located in Friedrichshain. Because when the unexpected rain is threatening and you want to swap the concrete of the capital for warm wood, our 50-square-metre Winter Garden offers everything your event heart desires: a heavenly celebration in the dry.

THE TREEGARDEN

Inside is fine, yet outside much better. That's why our Treegarden presents itself in all its glory – even at night – and conveys a uniquely natural feeling. Whether it's our impressive tree, the wood-panelled stalls, or simply the unmistakable charm of the location – **in the Treegarden, Berlin is in bloom.**

THE TREEHOUSE STUDIO

Pure presence meets complete understatement. If you are looking for a location for your next shooting, video shoot or simply a private dinner, our Treehouse Studio is the place to go. Whether shooting or shots, flap or slate – we stage exactly what you want.

Fame fame instead of same same.
